## About the project

The Erasmus+ Project "Culture is you" (CisU) aims to give everybody the chance to experience culture.

Because culture is made for everyone – no one should be left behind. But culture is often understood as something abstract and intended for a specific group of people. CisU aims to break down this prevailing understanding of culture.

## GOALS

1

**BUILDING CULTURAL AWARENESS & UNDERSTANDING**

2

**ACCESS TO CULTURE & SOCIAL INTEGRATION**

3

**PROMOTING UNDERSTANDING OF CULTURE IN BASIC EDUCATION**

4

**PROVIDING TEACHING MATERIALS**

## RESULTS

### **DESIGN** cultural knowledge building

An educational concept and curriculum for the game, the video and the learning materials will be created in order to make the learning materials as accessible as possible.  
**Culture should be easily accessible for everyone!**

### **LEARN** about culture

**Learning about culture should be fun!** Interesting examples from the partner countries are also taken into account, as well as videos and animations.

### **PLAY** to Experience culture

With the help of the CisU board game, theory can be brought to life and made more understandable through practical exercises.

### **GUIDE** to implement cultural education

An innovative workshop concept available directly to teachers for online and face-to-face use to develop cultural understanding with learners.
